(6 guns)
Massie's (Virginia) Battery (Fluvanna Artillery) (6 guns)
Milledge's (Georgia) Battery (6 guns)

Notes: Batteries with actual types of guns listed show the equipment as of 20 February. Indications are that several guns were elsewhere for repairs. The other units with numbers, but no types of guns shown, have the numbers drawn from a proposed organization. They are probably quite accurate, but date from early February.

U.S. War Department, The War of the Succession, A Compilation of Official Records of the Union and Confederate Armies, Government Printing Office; Washington D.C. 1882
