Unknown: Sources disagree as to presence of this unit.  
Skaanes Tremanning Cavalry Regiment (678)

Artillery: 400 men

Note: The names of the regiments, save the two marked "\*" varied between the two sources consulted. Those with the "\*" are in the correct position. The other units were referenced by commanders's names and unreconciliable with the regiments for which the one source gave strength figures. As a result, the positions indicated are guesses. However, the strength figures are correct.

Vaupell,O, Den Danshen Heers Historie, Copehnagen, 1872
