* The Depot de Guerre indicates 65th Line in Polhès' brigade and the 70th Line assigned to the position of the filled by the 2nd Zouave Regiment. The 2nd Zouaves are then assigned to Castagny's brigade.

** Not indicated by as present by French Archives, Carton X^p 61.

*** Brigade assignment reversed by Depot de Guerre.

+ The French Archives, Carton X^p 61 indicate this as being the hussar brigade of "de la Pérouse"

Note on Source Variations: There are several minor variations between the two sources cited. Where possible the archival carton's contents were cited in preference to the Depot de Guerre. Most variations were noted, however, in a few instances where the Engineering Regiments were in conflict, the archival sources were cited and no indication of the variation from what is provided in the Depot de Guerre's work was made.
