Internationals of the 86th Brigade	mixed	March 1937	Aldo Morandi

Notes: Most of these battalions did not exist simultaneously. The At the begining of 1938 there were only 28. At the end of 1937 the bulk of their soldiers were Spanish. There were also 23 international batteries and a few armored, cavalry, medical, transport and signals formations.

---

[1] There were, apparently, four of these units raised, all with the same names and raised on the same date.
